Case No.: 2:16-cv-00235-JAK-JEM

Hon. John A. Kronstadt

JOINT STATUS REPORT

The undersigned counsel submit this joint report pursuant to the Court's July 18, 2017 Order re: Continuing Status Conference for an update on (1) the status of the settlement; (2) a schedule of pretrial and trial dates; and (3) the parties' respective positions on whether this case should be consolidated with *Gilsleider v. EOS Products, LLC*, Case No. 8:16-cv-00283-JAK-JEM. See ECF No. 44.

SETTLEMENT STATUS

The parties mediated again with the Honorable Peter D. Lichtman (Ret.) on August 11, 2017. Although a settlement has not yet been reached, the parties continue to engage in active, productive discussions following mediation and remain optimistic that there will be a resolution.

To afford the parties sufficient time to negotiate the specifics of a proposed resolution, the parties request that the Court continue the status conference set for September 11, 2017, to October 2, 2017.¹ The parties propose providing a further joint report to update the Court on the progress of negotiations on or before September 25, 2017.

PRETRIAL AND TRIAL SCHEDULE

To ensure the orderly progress of the litigation in the event the matter is not promptly resolved, attached as Exhibit "A" is a list of proposed pretrial and trial dates per the Court's order.

CONSOLIDATION

If the case proceeds on a litigation track, the parties have no objection to the consolidation of this matter with *Gilsleider*, and would promptly provide a joint stipulation to effectuate consolidation.

¹ In addition, lead counsel for the defendant has a scheduling conflict on September 11, 2017, and respectfully requests a brief continuance of that conference for that reason as well.
